From Our Pastor

Welcome to First Baptist Church. If you are our guest, thank you for joining us today. We would love to be able to get to know you. Take a moment to register as a guest using the registration card attached to the bulletin. We invite you to bring this registration card to the Information Desk located near the front columns. We have a gift waiting for you there.

We trust God will use this time to speak to all of us this morning and draw us closer to Him. If you have pre-school children, we suggest for your benefit, as well as for all who worship with us, that you allow us to care for and teach your children during the worship hour. We have a well-equipped area and well-trained staff to take care of your little ones while you and those around you worship this morning. Please help us in this matter.

Today, I am preaching on the subject of heaven. As we look forward to a time of revival emphasis scheduled for March 23-25 and 27, I want us to think on eternity. I am so happy you are here today!

Steve

IMPORTANT INFO FOR NEXT SUNDAY

March 13 is the start of Daylight Saving Time, so be sure to move your clock FORWARD Saturday evening.

Another difficulty next Sunday will be the ZYDECO MARATHON covering a large portion of Lafayette. Roads throughout much of the city will be blocked, and this almost completely surrounds First Baptist. While police will open intersections briefly when runners are not passing, in prior years extremely long delays were experienced by members on their way to Sunday services.

If you live inside the blue area on the drawing below, you will have to cross the race route at least once. If you live outside the blue area, your best option is to use Johnston St. Residents on the north will likely have to go west past the Cajundome to access Johnston St., and residents to the south will have to go west of Camellia Blvd.

Plan to allow plenty of time for the additional drive or for waiting at intersections. Detailed maps are available at the Information Center and also at fbclaf.org/zydeco.
